

AMBASSADOR EXPERIENCE

My experience being the Wellesley Fall Fair Ambassador has been an extraordinary one. At the beginning I did not realize what a fantastic learning experience this would be, and how many opportunities, and connections my tiara would unlock.

While attending conventions and competitions with other ambassadors, across Ontario, meeting other agricultural society members, and interacting with the dedicated individuals that make our fair possible, I was able to experience a powerful perspective as to the things that have help shape our communities.

This experience has really helped to demonstrate just how blessed I am, to call Wellesley Township home. There is no other place that I would rather represent.

It has been an honor to have experienced this roll in the community, and to be a part of so many special events. It has been wonderful to see so many smiling faces at the A.B.C Festival, and Christmas Parades, and to meet those who help to make our communities great.

I encourage everyone to take a step back and appreciate this fantastic place, its heritage and roots, and the fantastic people that have made, and are making our communities what they are.

I look forward to seeing you at the fair! Enjoy all it has to offer!
