Ambassador
Competition
Information Sheets

WHO

Is an Ambassador?

The Wellesley Township Fall Fair Ambassador is any young person within Wellesley Township or who lives within 15km of the Township, between the ages of 17-23.

The Fall Fair Ambassador is usually a young person who has a passion for serving their community, or for learning more about their community and themselves.

The Fall Fair Ambassador represents the Wellesley Township Fall Fair at various local, provincial, and national events. For example, the Ambassador participates in the Wellesley Township Fall Fair, Wellesley Apple Butter and Cheese Festival, The Ontario Association of Agricultural Societies Convention, and has the opportunity to attend the Canadian National Exhibition (CNE).

The Fall Fair Ambassador is not required to have knowledge of agriculture or farming. We have had Ambassadors from all walks of life!

HOW

Does The Competition Work?

After you are nominated, you will have the opportunity to come to a Meet n' Greet luncheon or dinner to ask questions and meet the other potential contestants.

If you decide to compete, you will have opportunities to get to know your fellow competitors through a few small outings. We will invite you to a farm tour, public speaking workshop, makeup tutorial session with a fair sponsor, and possibly to see the CNE Ambassador Competition in Toronto. **You are not required to attend these, but we find it helps everyone feel comfortable.**

PRIOR TO TUESDAY NIGHT COMPETITION:

- Prepare a "Me Board," or presentation board that visually outlines everything you want us to know about you. This is a fun "self-discovery" activity that will be set up on the Monday night before the fair. Judges will be taking this board into account when scoring.
- Prepare a 2-3 minute speech that you will deliver on the Tuesday night. We have a list of topics you may use to write about, but we also invite you to write about something that meaningful to you – just run it by us.
- Learn information about the Fair, Township, local Agriculture, and local Leadership. Don't stress! This will be on a sheet we give to you to prepare you for an interview with the judges.
- Attend the Monday night dress-rehearsal. We will get you familiar with the stage, podium, and the space you will be in.

THE TUESDAY NIGHT COMPETITION:

- That evening come dressed in business or professional attire, with your speech written on cue cards.
- Have a private interview with our judges.
- Attend the Tuesday night program, present your speech, and answer your impromptu question on stage.
- The judges reveal the winner that evening. You are then invited to a small reception for everyone, and you can bring your family!
